Academic Calendar Spring semester, 2023

As per UGC Regulations, the prescribed minimum number of teaching days is 90 days or 15 weeks per semester for a 6-day week. Our university adopts a 5-day week pattern, hence the number of weeks is increased to 18 weeks to ensure the equivalent of 15 weeks of actual teaching and compensating for 3 days of state holidays. In the event that the number of holidays are increased, the same will be compensated on the preceding or following Saturday of the declared holiday. The administration will notify the working Saturdays accordingly.

February 1- June 9, 2023 are the declared dates of Spring Semester 2023 for all Diploma, Undergraduate and Post graduate courses.
